WORK EXPERIENCE

Headstarter AI

Remote

Intern

Jul 2024 - Aug 2024

- Gained hands-on experience in developing and deploying AI models, understanding various algorithms, and applying machine learning techniques to real-world problems.
- Gained experience with frontend and backend using tools such as Next.js and Vercel.

Innovation Hub

Tallahassee, FL

Support Staff

Jul 2024 - Present

- Managed updates and maintenance for university servers and performed software installations and upgrades.
- Assisted students with VR and gained experience with Unity and Unreal engines while providing troubleshooting, project optimization, and training solutions.
- Supported as a receptionist with student inquiries and general administrative tasks.

EDUCATION

Florida State University

Tallahassee, FL

Bachelor of Arts, Computer Science

Graduation Date: Dec 2025

PROJECT EXPERIENCE

Next.js Project

Developer

- Created a web app that functioned as a grocery inventory system with the use of Next.js, Vercel, and Github.

C++ Project

Developer

- Constructed a comprehensive inventory management system for a simulated bookstore, implementing dynamic arrays, and demonstrating a strong understanding of object-oriented programming, encapsulation, polymorphism, and data abstraction.
- Developed a project to allow a user to input a string of characters, numbers, and words where the application will count the use of each and count the number of times each word, character, or number is used, demonstrating an understanding of mapping and object-oriented programming.

LEADERSHIP EXPERIENCE

Big Brother Little Brother Mentoring

Tallahassee, FL

Member Relations Committee

Sep 2024 - Present

- Participated in organized events and interacted with senior members to find research opportunities.

Code Education

Tallahassee, FL

Member

Sep 2024 - Present

- Participated in events meant for the development of projects and working in groups to gain hands-on experience with software engineering.
